

## Multiplication

The Product Is....

Materials:

Deck of cards (remove the face cards).

Directions:

The dealer deals one card to each player leaving the card face up. The dealer then turns one card over in the middle. The player who can call out, “The product is...” and give the product of his/her card and the center card gets to keep the cards. That player then gets a new card face up and a new middle card is turned over and the game continues.

The winner is the person who the most cards.

Have fun!!!!
